June 1, 2021 – AKVIS launches the new Graduation Pack! The set includes 100 high-quality templates for individual or group photos inspired by the graduation ceremony and related activities. The picture frames are intended for use with the AKVIS programs.

AKVIS announces the release of the brand new [Graduation Pack](#). The picture frame collection offers 100 stylish templates of superior quality, 50 horizontal and 50 vertical designs created by professional artists and illustrators specially for AKVIS.

The AKVIS picture frames are decorated with classic graduation ceremonial accessories and eye-catching embellishments: academic caps and gowns, colorful tassels, degree scrolls, books, winner cups as well as grad party elements, flowers, and more. Some are perfect for portraits and single shots, while others have multiple cutouts for a ready-made collage effect.

The [Graduation Pack](#) is perfectly suited to create a personalized school album, graduation memory book or yearbook! Adding a themed picture frame will be a great way to decorate pictures from high school, college or university life, prepare invitation cards for alumni meetings, design a custom greeting card or embellish prom and other senior events photos. The set will be a meaningful graduation gift and a true keepsake.

Now, AKVIS offers 70 themed frame packs grouped by categories: [Hobbies & Interests](#), [Styles & Trends](#), [Holidays & Events](#), [Seasons](#), [Countries](#), and [Family](#). The new product enters the [Holidays & Events](#) group.

The frame packs can be used with the [AKVIS Frames](#) program (available for free) and with [AKVIS ArtSuite](#) (standalone version) on Windows 7, 8, 8.1, 10; Mac OS X 10.10-10.11, macOS 10.12-11.0.
