

FAIRY-TALE FRAMES: ADD SOME MAGIC TO YOUR PHOTOS!

April 5, 2017 — AKVIS announces the release of the new frame pack designed around favorite fairy tales and legends. The frame collection includes 100 high quality templates intended for use with AKVIS Frames and AKVIS ArtSuite.

AKVIS is pleased to introduce the new **Fairy-Tale Pack** for **AKVIS Frames** and **AKVIS ArtSuite**. The collection includes 100 enchanting picture frames created by professional artists - 50 horizontal and 50 vertical variants for each design.

As Antoine de Saint-Exupéry wrote, "*We are from our childhood*". This is the reason why fairy tales capture the imagination of both children and adults around the world. Fairy tales cross boundaries of time and space. These stories of magic and adventure take us out of our everyday reality into a fantasy world of dreams where you can meet daring knights in shining armor, fire breathing dragons, beautiful princesses, wicked witches, mermaids, unicorns as well as forest-dwelling creatures like leprechauns, elves, dwarfs, pixies and nymphs.

Fairy-Tale Pack by AKVIS offers a great many colorful frames inspired by myths and fairy tales. Use them to decorate your kids' photos, create wonderful greeting cards or even illustrate your own fairy tale!

See the frame miniatures at akvis.com.

AKVIS offers a broad palette of themed [frame collections](#): among them, you will find frame packs related to [Holidays and Events](#), [Countries](#), [Four Seasons](#), [Hobbies and Interests](#), etc. The frame packs have a broad application spectrum and meet the needs of both professional designers and amateurs.

To use AKVIS frame packs, you need to have installed one of following programs: **AKVIS Frames** (available for free) or **AKVIS ArtSuite** (10-day free trial download).

The AKVIS products run on Windows XP, Vista, 7, 8, 8.1, 10; and on Mac OS X 10.7-10.12.

The new **Fairy-Tale Pack** sells for \$17.

AKVIS (akvis.com) specializes in development of image and video processing software. Since the company's launch in 2004, it has released a number of successful products for Windows and Mac OS X.
