

PIN-UP PACK: NEW PLAYFUL AND PROVOCATIVE PICTURE FRAMES!

January 16, 2018 — AKVIS announces the brand new Pin-Up Pack that supplements the already impressive collection of high quality picture frames. The set includes 100 ready to use frames designed by professional artists, 50 horizontal and 50 vertical templates.

AKVIS has released a new set of frames - the **Pin-Up Pack**, created exclusively for use in **AKVIS Frames** and **AKVIS ArtSuite**!

Pin-up style that was extremely popular in the USA in the 1940s and the 1950s is undergoing a revival nowadays. The term not only refers to the retro fashion, but also to art, graphic design, filming and photography (so-called *Cheesecake* photography style). Pin-up style is a celebration of charm and femininity in all aspects - makeup, hairstyle, clothing. You'll never see a pin-up girl without a hourglass-silhouette dress, red lips, and a perfect cat-eye liner.

Use the **Pin-Up Pack** by AKVIS to decorate your photographs! These bright and cheerful designs would be perfect fit for creating party flyers, greeting or invitation cards. Spice up your photos in a snap!
